עבודת הרצון

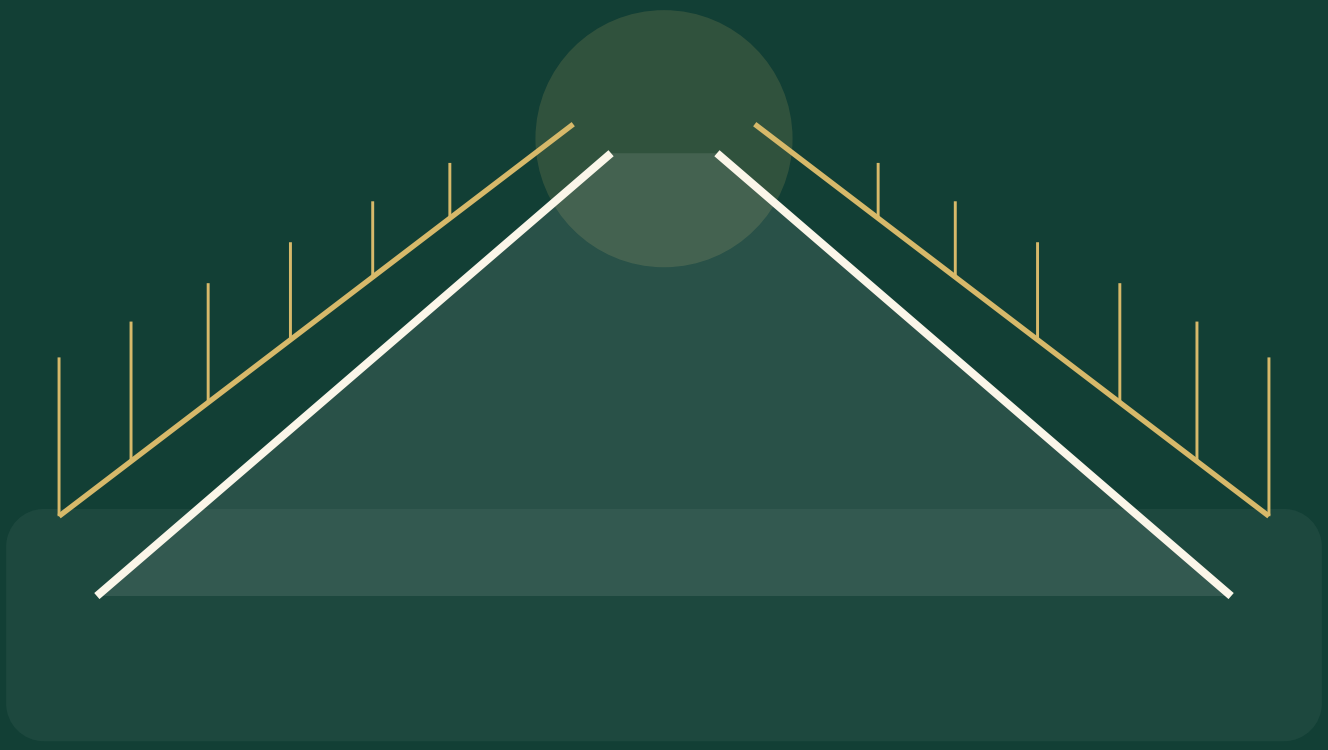

AVODAS HARATZON

I know I want more.

And life has a way of getting in the way.

A weekly space to get clear on what you want, choose your next action, and build real momentum.

ASK. KEEP ASKING. GROW.

המצוי

CURRENT

הרצוי

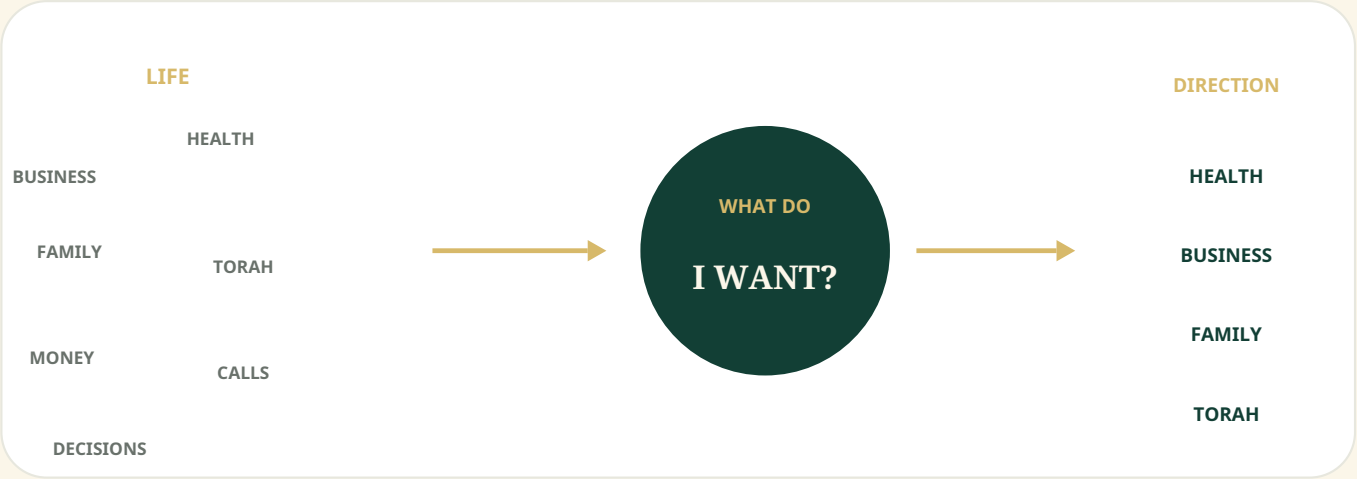

DESIRED

To bridge between the current and the desired reality.

CLEAR THE NOISE.
FIND THE REAL THING.

This work is about learning to ask yourself - and staying with the question long enough for something new to show up.

Asking brings answers when the question is left to play.

THE WEEKLY PRACTICE

הרצון שלך כבר עכשיו נחשב כעשייה

Your desire itself already counts as doing. Now give it somewhere to go.

BIG VISION.
TODAY'S ACTION.

The vision can be enormous. The action today can still be tiny.

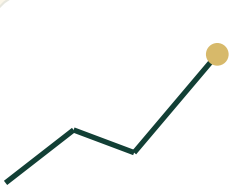

HEALTH

Strong. Healthy. Fit. Core strength.

TODAY

Put the cutlery down between bites.

BUSINESS

Example: +1,000% revenue this year.

YEAR > 6 MONTHS > MONTH > WEEK > TODAY

TODAY

Call one new prospect today.

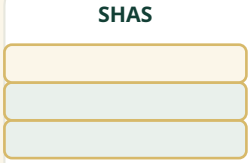

FAMILY

Be fully present at home in the evening.

TODAY

Put the phone in its charging place for 5 minutes.

TORAH

Siyum HaShas.

TODAY

Kiss the Shas before leaving home.

The action may be tiny.

The direction isn't.

ENTER A ROOM

WHERE GROWTH IS NORMAL.

You can use the method on your own. The power of the room is that your growth no longer has to rely only on your own perspective, mood or momentum.

WHAT THE ROOM DOES THAT I CAN'T DO ALONE

- sharpens my thinking
- exposes blind spots
- normalises growth
- gives accountability
- helps me stay in the game when life gets in the way

EVERY WEEK YOU LEAVE WITH

- clear direction on what matters now
- a customised tracking sheet for the week
- specific actions across the areas you are working on
- private awareness + shared accountability
- renewed energy, progress and momentum

PRIVATE AWARENESS. **SHARED ACCOUNTABILITY.**

There is no finish line to growth.

The first 4 weeks are simply where you begin.
